12 Teams Enter Canoe Marathon

Among the early entrants in the second annual Michigan Canoe Championship, to be played on the AuSable River, September 11-12, are two father and son teams. They are William A. Dawling, 50, and William, Jr., 26, of Farmington, Michigan, and Alvin S. Mooseman, 43, of St. Charles, Ill., and his son, Roland A. Mooseman, 19, of Chicago, Ill.

Oscoda-AuSable, which is celebrating its Centennial this year, has three teams entered to date, which includes the brother team of Hugh and Bud Bissonette. Both boys participated in the 1947, 240-mile classic.

The starting point will be at Grayling, where the AuSable River crosses US-27. At 3 P. M. (E.S.T.) the first canoe will take to the river, and at ten-second intervals, the remaining canoes will follow. Time handicaps will be adjusted at Foose Dam so that the first craft crossing the finish line at Oscoda will be declared the winner.

All men 18 years of age and over are eligible and it is important that all entries should have their applications in by midnight, September 4, deadline set for entries. Applications should be mailed to Charles Monroe, Oscoda-AuSable Chamber of Commerce, Oscoda, Michigan.

In addition to the many cash awards, the beautiful Tom Marston trophy will be presented to the winner. The trophy will become the property of the first "three-time" winner.

Teams entered to date are as follows:

William A. Dawling, 50, Farmington, Mich.

William A. Dawling, Jr., 26, Farmington, Mich.

Alvin S. Mooseman, 43, St. Charles, Ill.

Roland A. Mooseman, 19, Chicago, Ill.

Hugh Bissonette, 20, Oscoda, Mich.

Bud Bissonette, 22, Oscoda, Mich.

Clint Gardner, 28, Detroit, Mich.

Maurice Holman, 40, Detroit, Mich.

Bernard J. Fowler, 21, Grayling, Mich.

James F. Wakeley, 29, Grayling, Mich.

Robert Fullerton, 22, Oscoda, Mich.

Edward J. Dumont, 24, Oscoda, Mich.

Max Reddish, 33, Toledo, Ohio.

John Molnar, 38, Toledo, Ohio.

Thomas Rawley, 23, Linden, Mich.

Carl Bigelow, 37, Flint, Mich.

Edward A. Hough, 22, Pleasant Ridge, Mich.

Howard M. Stephenson, 22, Ferndale, Mich.

Jerry Wagner, 18, Oscoda, Mich.

Joseph Bissonette, 33, Oscoda, Mich.

Hugo Wojahn, 35, Tawas City, Mich.

Peter Bernhardt, East Tawas, Mich.

Robert Armstrong, 22, Lewiston, Mich.

Robert Newell, 21, Lewiston, Mich.

Beaver Creek District 4 Seeks Resignation of School Board

A meeting held in Beaver Creek last week Friday demanded the resignation of the Beaver Creek School District No. 4 Board and went ahead with plans to open and operate their school again after it had been closed for the past three years.

Following are the minutes of the meeting as recorded by the secretary of the meeting, Darwin Ray:

August 27, 1948. The special meeting of Beaver Creek School District No. 4 was called by Moderator H. Duncan, under State of Michigan, General School Laws, Sec. 254.

Meeting called to order at 8:15 P. M., by H. Duncan, Moderator. Mr. Duncan read the petition he had received to call the meeting. He then turned the floor over to Mr. Neill, to give a full report of the findings of the committee which took a petition to the Department of Education in Lansing. Mr. Neill told of the conversation which they had with Mr. Stack and other State Education Department men.

The main things discovered by them, were as follows: First, the No. 4 district school had not been condemned by the State, at any time, as had been stated by the board member Mr. R. Milliken.

Second, that as long as the school was habitable, there was no specific amount required by the State to be spent on such a project, as had been asserted by board member Mr. Milliken.

Thirdly, that the fact that the first school meeting had ended in a deadlock vote, on the matter of closing the school and transporting to Frederic, the school was still open and all that there was to do was to hire a teacher and go into a new building.

Mr. Neill also noted that the other two members of the board had chosen to ignore the many other instances which had led the voters to become convinced of their irresponsibility, and unwilling for public office.

The meeting then was turned to general discussion. Mr. Maurer made the observation that the school had not been condemned but had been voted closed for three years in a row.

He asked if the school would handle the full 8 grades, and how much it would cost to hire a teacher. Mr. Neill said he thought it would handle up to the 6th and that Grayling would handle the higher grades.

In the event that they could take only the high school children, then he would provide for the full 8 grades, he said he understood that Roscommon and Grayling, were paying \$2.00 for this type of instruction, and saw no reason why we could not pay the same.

Mr. Bergman said that something should be done to stop the buses of the two districts covering the same ground. Mr. Neill said he thought that consolidation would have to be made of the two districts before this could be corrected. Mrs. Cholo asked who gave Mr. Milliken the authority to remove the furnishings from the school, and dispose of them.

The chairman remarked that no one seemed to know the answer to that one, but that that question along with many others equally pertinent would have to be answered by Mr. Milliken before long for he would not be able to ignore the wishes and temper of the people all the time. Mr. Konviki asked what the 10 mill tax was for. The chairman said it was to effect a down payment on the new bus, and in spite of the fact that the tax amounted to approximately \$1,200 and that \$814 had been paid down on the bus, Mr. Milliken refused to allow him (the moderator) to see the books so that he might report the facts to the people at this meeting. Mr. Babcock made the motion that we ask the State auditor to audit the books for as many years back as was legal. Mr. A. Mathews seconded the motion. Question on the motion. Yes 42. No 5.

Mr. Neill made the motion that we do not transport to Frederic, but that we hire a teacher and open our school for 6 or 8 grades, the High School and if possible the 7th and 8th grades to be transported to Grayling. Mr. K. Galloway seconded the motion. Question on the motion. Yes 42. No 5.

A Mr. Jones was then introduced as a possible teacher for the school. He gave a full description of his abilities, presented his credentials and to see Mr. Neill said he had asked at the interview in Lansing if a man with these qualifications would be acceptable to the State Department of Education, and had been told that he would.

He thereupon made the motion that Mr. Jones be accepted as the teacher. Mr. Babcock seconded the motion. Question on the motion. Yes 42. No 5.

Mr. Neill made the motion that the two absent members that the voters of this district requested their immediate resignation. Question on the motion. Yes 43. No 0.

Number of voters present 47, number of eligible voters in district 62.

Mr. Vincent made the motion that a state of emergency be declared and that the township board be informed that we shall use the Township Hall as a School for one year. Mr. More seconded the motion. Question. Yes 43. No 0.

On September 4 another meeting will be held at 7:30 P. M. in the American Legion Hall. There to date 15 teams are signed up to play in the 1948-49 season. Pres. Jack Wade, vice president, Bill Tuffs; secretary, Al Cherven; and treasurer, Mr. and Mrs. Frank Bond of Grayling.

Dr. Barrus purchased the cabin court from Glen Penrod in April, 1948. The new owner expects to enlarge the home cabin and move his family from their home on Ogema Street to the cabins in the near future. Mr. Clough reported. He also added that the new owners have several changes and improvements in mind for the cabin court which faces the AuSable River in Grayling.

Mr. and Mrs. Robert E. Wallace and daughter, Mr. and Mrs. Dick Wallace, Lloyd Aikens, Miss Beverly Southland and Gordon Southland of Alpena were guests of Mr. and Mrs. Gordon Wheaton during their 10 day stay in camp.

Mr. and Mrs. Paul O'Brien of Lake Leelanau are spending their honeymoon in Frank Hansenburg's cabin, "Klondyke."

Kalkaska road commission are opening a new road from M 72 to Riverview, which was needed badly.

Mr. and Mrs. W. E. Penner of Columbus, Ohio, returned home after a three weeks stay here. Mrs. Harley Higby of Birchwood Lodge called on the Bromwell's Sunday.

Barnes Gauney, Carl B. Metz and C. A. Salisbury of Hillsdale, Michigan spent several days in camp.

Mr. and Mrs. Gordon of Alpena and nephew had a cabin for ten days.

Mr. and Mrs. John Gassick and Mr. and Mrs. R. G. DeGraff of Pontiac spent the week end with the Bromwells.

William Bromwell spent the week end at home from his work near Pontiac.

Mr. and Mrs. Darwin Berthiaume of Bay City called on the Bromwells Saturday.

GOOD NEWS, KIDS! - - - NO SCHOOL 'TIL SEPTEMBER 20

Yes, kids, vacation continues. School Superintendent Frank Bond announced the first of the week. After the announcement last week that school would open at the usual and regular time, an inspection of the work going on in the school on the ventilation system revealed that it would necessitate a ten day to two week period before it could be complete. Thus the stay of execution for you Grayling students.

Football practice under the direction of new Head Football Coach Joe Bogart got underway Monday, however, with 35 boys reporting. Coach Bogart, who is assisted by Coach Bruce Smith, was optimistic about the prospects for the season. There will be two football practices each day from now right on till school starts as the first game of the season is scheduled for September 18 when Grayling opens their current gridiron schedule with Boyne City.

It was pointed out by School Superintendent Bond that parents should not plan on enrolling their children in kindergarten unless they will be 5 years of age by November 1, 1948. A large enrollment of beginners is expected and the November 1st deadline will be extended only if possible.

Bowling League Takes Shape

Friday the 27th of August our first meeting of sponsors and captains of the 1948-49 Bowling Tournament was held in the basement of the American Legion. An election of officers was held and the following were elected for the '48-49 season. Pres. Jack Wade; vice president, Bill Tuffs; secretary, Al Cherven; and treasurer, Mr. and Mrs. Frank Bond of Grayling.

Dr. Barrus purchased the cabin court from Glen Penrod in April, 1948. The new owner expects to enlarge the home cabin and move his family from their home on Ogema Street to the cabins in the near future. Mr. Clough reported. He also added that the new owners have several changes and improvements in mind for the cabin court which faces the AuSable River in Grayling.

Mr. and Mrs. Robert E. Wallace and daughter, Mr. and Mrs. Dick Wallace, Lloyd Aikens, Miss Beverly Southland and Gordon Southland of Alpena were guests of Mr. and Mrs. Gordon Wheaton during their 10 day stay in camp.

Mr. and Mrs. Paul O'Brien of Lake Leelanau are spending their honeymoon in Frank Hansenburg's cabin, "Klondyke."

Kalkaska road commission are opening a new road from M 72 to Riverview, which was needed badly.

Mr. and Mrs. W. E. Penner of Columbus, Ohio, returned home after a three weeks stay here. Mrs. Harley Higby of Birchwood Lodge called on the Bromwell's Sunday.

Barnes Gauney, Carl B. Metz and C. A. Salisbury of Hillsdale, Michigan spent several days in camp.

Mr. and Mrs. Gordon of Alpena and nephew had a cabin for ten days.

Mr. and Mrs. John Gassick and Mr. and Mrs. R. G. DeGraff of Pontiac spent the week end with the Bromwells.

William Bromwell spent the week end at home from his work near Pontiac.

Mr. and Mrs. Darwin Berthiaume of Bay City called on the Bromwells Saturday.

Mr. and Mrs. Ray Ketchum of Linden spent last week end with the Richard Babbitt family. Mr. Ketchum is Mrs. Babbitt's brother.

Mrs. Alta MacMillan was hostess to Home Extension Club 1 and several guests last Tuesday afternoon. After the business meeting each lady pieced a quilt block. Mrs. Wm. Smith received the prize for the best block. Mrs. Roy Johnston and Mrs. Elmer Greenwell assisted the hostess with the delicious lunch. The next meeting will be September 14 at Mrs. Greenwell's.

Home Extension Club II met at the home of Martha Peterson last Tuesday evening.

4-H Club met at the Charles Owen home last week with Dick Owen as host.

The T. N. T. Club announce a Community Dance for this Saturday night (September 5). Let's have a good crowd out. Potluck lunch.

Ardith Winston spent a few days visiting her sister, Mrs. Eleanor Sanfelter in Grayling. Penny Jo, daughter of Mr. and Mrs. Ernest Lozon, is just recovering from the measles.

Lewis Howse is home from Detroit.

Mrs. Ivan Hamblin was hostess to a number of guests honoring Mrs. Earl Lovely at a birthday party.

Mr. and Mrs. George Kraus and family of Detroit called on the Henry Wendine family during the week end.

Mr. and Mrs. Keith Lepley of Ithaca spent Sunday with Mr. and Mrs. Ted Bayham.

Mr. and Mrs. Clyde Smith attended the Vance family reunion Sunday.

Arthur Howse has gone on a fishing trip to Canada with a party of friends.

Grayling Independents Nail Down Baseball League Playoff Crown

Weekend Also Brings Season's First Loss

The Grayling Independents nailed down the playoff championship to go along with their season championship when they downed Comins 18 to 6 at Mio last Sunday in the playoff finale. Ironically the week end also gave the team their first loss of the year as the West Branch Merchants dropped Grayling by a 11 to 4 count at the Ogema County seat on Saturday.

Bob Gildner hurried both games for Grayling giving up 14 hits to West Branch and only 8 to Comins. Grayling collected 12 hits off the West Branch moundsmen and 18 from the Comins hurlers.

Comins drew first blood Sunday as they scored a run in the first and added 5 tallies in the second inning. That completed their scoring for the afternoon however, as Gildner started to beat down Grayling's second 2 runs in the second inning and added one each in the third and fourth. The sixth inning proved to be the big assault for Grayling as they drove over 10 runs and added 2 in each the seventh and ninth.

At the plate George Hanson hit safely 3 times in 5 times at bat while Clyde Anthony collected 4 for 5 with Bud Caid getting 3 for 4 and Gene Kellough 2 for 4. Ted Bennett 3 for 6 and Ross Thompson 2 for 3.

This coming week and will see lots of ball in Grayling as the Chippewa Warriors of Detroit are expected to face the Independents here on Sunday at 2:30 with the Roscommon Shamrocks appearing here on Monday to play the Independents in half of a double header. The other end of the twin bill is the third "Old Timer's Game" as Duke's Wildcats of Grayling meet Green's Tigers of Roscommon. Last year's contest, which featured the old time ball players of each community, ended in a tie and was played on a muddy field in a drizzling rain.

The Old Timer's Game will get underway at 1:30 with the Grayling Legion Drum and Bugle Corps led by Drum Major Spike MacNeven lending a musical touch. Another old-fashioned touch will be given to the entire affair with the appearance of a "bicycle built for two" owned by John Selesky making its bow with Duke and Jesse piloting it around the field.

Duke has named Babe Laurant as Grayling's starting hurler. Roscommon will start Chuck DeWaele with Rupert Pearsall probably relieving, if need be, Jesse said. All in all, the third annual Old Timer's Games appears to be going to be the best yet. A real crowd is expected to be on hand. Rumor has it that sandwiches and refreshments will be available on a really "surprising" basis.

Final rites are to be read today (Thursday) at the Sorenson Funeral Home at 9:30 and Requiem High Mass at 10:30 at St. Mary's Church for Robert James Pawloski, 32, who passed away suddenly at Mercy Hospital, Monday morning. Rev. Fr. John Breitenstein will officiate with interment at Elmwood Cemetery.

Mr. Pawloski, who was the meat department manager for the A. & S. Sorensen in Grayling, had been ill for about three weeks. His illness, however, had not been considered serious until a short time before his passing. Death was attributed to meningitis.

The Sorensen was born in Flint to Mr. and Mrs. Philip Pawloski on September 29, 1915. He had lived in Frankfort, Thompsonville and Traverse City before moving to Grayling. He spent 3 1/2 years in the U. S. Coast Guard during World War II. Over a year of his service was at sea. He was united in marriage to Carol V. Case of Grayling on Jan. 1, 1942. She survives him, as does his father, Philip of Traverse City.

Mr. Pawloski was a graduate of Beulah High School, and a member of the Knights of Columbus. Pall bearers at today's service are to be Floyd SanCarter, Donald Sorenson, Fred Ferguson, James Duley, Robert Johnson, Robert Rasmussen. Among those from a distance attending the services will be Mr. and Mrs. James Case of Bay City.

DETROIT WEDDING OF INTEREST HERE

A very quiet wedding attended by the immediate members of the families was solemnized at the "personage" home of the Rev. Dr. John W. Greenwood, Detroit, when Miss Louise Ann Burns, youngest daughter of Lieut. and Mrs. Russell Burns, 18644 Northlawn, Detroit, was united in marriage to Mr. Donald Davis, son of Mr. and Mrs. D. J. Davis, 17179 Mark Twain, Detroit.

Graylingites will remember Miss Burns as the daughter of Mr. Russell Burns, one-time superintendent of schools in Grayling, and Dr. Greenwood, the official minister, as having served a five-year pastorate at the Michigan Memorial Church.

Our congratulations to Mr. and Mrs. Davis will make their home in Detroit, where Mr. Davis is employed as a salesman.

Those visiting at the Alfred Galloway farm this week were his sister and husband, Mr. and Mrs. George Bala and their grandson, Harold of New York. It was a welcome surprise as it was the first Mr. Galloway had seen them since 1924. Other guests were the Thomas Galloways, Mrs. Blanche Norwood and Dave Hazleton of Flint and the John Galloways of Roscommon. Of course, the main attractions are the two girls who are back at the farm. Friday night Frankie Galloway fell and broke his leg and is a patient at Mercy Hospital.

Grayling has been rampant with rumors concerning the pollution and condemnation of Lake Margrethe during the past week. According to the fast spreading story, a National Guardsman was stricken with polio after swimming in the lake.

A letter to Hugel Leonard of Lake City, who is the District Officer for the State Health Department brought a phone call from him saying that the rumor had no foundation whatsoever.

He said, "No condemnation of Lake Margrethe has been thought of or ordered. You may quote me as saying so."

He explained that the National Guard had sent water samples from South Bay during their encampment. These samples have to be analyzed within 24 hours from the time they are taken to gather correct information, he said. However the samples were not in their laboratory workers hands until 4 days. Tests, how-

ever, were fun anyway. They did show signs of pollution. He intimated that the 4 day wait might have been partly the cause of the pollution show.

Irregardless of the test showing, Health Officer Leonard said in no uncertain terms that Lake Margrethe was not condemned nor was it considered polluted.

Army Recruiter Here Every Thursday

M/Sgt. Robert L. Haddow of Traverse City Recruiting Station will be here every Thursday from 10 A. M. until 2:30 P. M.

The Basic Cause of Inflation

The President's message to the special session of Congress dwelt at length on rising prices and the high cost of living. But it did not touch at all on one of the basic reasons for inflation — the high cost of government.

Since 1939, according to government figures, the cost of living has risen 73 per cent. But in the same period the cost of Federal Government has risen 337 per cent — from less than \$9,000,000,000 in 1939 to nearly \$40,000,000,000 for the fiscal year of 1948. To put it another way, the cost of government, Federal, state and local, has increased at a rate nearly 4½ times as fast as the cost of living, and taxes now constitute the largest single item in the budget of the American people—larger than the Nation's bill for food.

This underlies the folly of trying to find a scapegoat for high prices. They aren't the fault of manufacturers or retailers or any other group. Industry, taking it as a whole, has raised prices reluctantly and only when no other course was possible, because high prices ultimately reduce sales. Our whole government fiscal policy is of a kind that makes more and more inflation inevitable.

It is a gross deception to argue that the cure for higher prices lies in controls and roll-backs to the level of 1946 or some other year. Nothing would do more to discourage production, and to give this country a taste of what a police state is like. No one, whether he be a manufacturer or a storekeeper, can do business at a loss. And nothing in the proposed controls could reduce by a single penny the cost of operating an enterprise.

We must attack inflation by dealing with the cause, not the symptoms. Economical government, combined with a tax policy that offers incentives to production, is the first step.

Another trouble with our country is that too many people who have nothing to say go right on saying it.

It's "School Days" Again for Standard Oil Dealers
... to give your car better service

When your Standard Oil Dealer returns to his station a graduate from one of our training schools, the feel of different car parts has new meaning for him. He feels the oil filter, for example, and its temperature tells him whether service is needed. With improved know-how he supplies "Personalized Service," which for your car means the individual attention it needs, and for you the personal service you enjoy.

Thousands of Standard Oil Dealers have completed this advanced training; 250 others take the course every two weeks at our 80 schools. When they put into practice what they have learned in school, they receive the Service Specialist award you see in many Standard Oil Dealer stations.

should see his school, county and village authorities. The other two units of local government, cities and townships, actually reduced total property tax levies during 1947, according to a study just issued by the Michigan survey, a state taxpayer association.

Adding levies of all five classifications (cities, schools, counties, villages and townships) however, the average taxpayer suffered a 6.45 per cent net increase in 1947 over the previous year, a jump from \$232 million in 1946 to \$247 million in 1947. (The disbursement of 1947 property tax collections effects 1948 operations.)

The survey analysis shows that the average Michigan taxpayer paid \$71.90 in property taxes in 1947. This compares with the \$67.54 he paid in 1946. In 1947 he paid an average of \$29.79 in city taxes, \$26.36 in school taxes, \$13.43 in county taxes, \$1.57 in village taxes and

\$7.74 in township taxes, the survey reports. Looking at the whole picture, Steffens said local units, in general, "obtained higher revenues by increasing property valuations instead of the tax rate. Equalized valuations rose 13.33 per cent or from \$7.1 billion in 1946 to \$8 billion in 1947."

Twenty-two of Michigan's larger counties paid \$223.3 million or 90 per cent of total taxes, according to the survey report. These were levied against 88 per cent of the total equalized valuation. The remaining 61 counties levied only \$23.9 million or 10 per cent of total Michigan property taxes against 12 per cent of the total equalized valuation.

Crawford County had an equalized valuation of \$3,718,000, according to the report. Taxes levied totaled \$89,000. Making up this total were \$3,000 in county taxes, \$30,000 in township taxes, \$2,000 in city taxes, and \$38,000 in school taxes.

Benadryl Helps Prevent Colds

Doctors of medicine have recently found that a large percentage of colds could probably be stopped or prevented by early prompt treatment with the drug, Benadryl. Your doctor of medicine can advise whether or not Benadryl would be helpful in your particular case.

Benadryl used in 100 cases reported recently, completely prevented 10 per cent of the colds, and shortened and made easier the remaining 90 per cent of all cases so treated. It was rarely necessary to repeat the dose more than once in 24 hours. Children under 12 years of age received only half the amount given for adults. The effect of Benadryl is to prevent the formation of mucus in the nose. This not only dries up the nose, but it also helps in preventing coughs which are the result of such mucus dripping from the back of the nose into the throat.

The drug has a sedative effect which induces a refreshing sleep helpful to people coming down with the infection of a cold. This constitutes a warning, however, to persons who take a Benadryl capsule to prevent an oncoming cold. Since the drug may make them drowsy and sleepy, it would not be wise to go out and drive an automobile, or operate other potentially dangerous machinery, after taking the capsule.

I have served one term and three special sessions as a member of the Legislature. This experience has given me the opportunity to study many of the problems effecting the ten counties of this district.

In soliciting your vote in the coming primary you again have my pledge to seek for the continued development of all the natural resources of Northern Michigan.

SHORT STORY

Understanding Always Helps

By ANNETTE VICTORIN

ARDETH HAINES listened as the band played at the Fair. The tune was gay but not for her. Frank, her husband, was listening, too, at the other end of the field. They had quarreled. They should have been together, holding hands, not apart nursing anger. Was it her fault if she was thirty? Why did Frank have to blow up when she hinted at his extravagance? She was only thinking of their future and of the house they dreamed of owning.

That morning she had found him in the garage. "Isn't it a honey now?" Frank had asked pointing to the portable radio on his work bench. "It works like a top since I put in the four new tubes."

"Four new tubes?" Ardeeth gasped. "How could you when you know how much I wanted new tires?" There were angry tears in her eyes.

Frank grabbed the radio and threw it into the corner. She stalked out, hurt and defiant.

Later, when Frank asked: "What about the Fair?" she answered, sulkily, "I'm going, but I'm going alone." And the way she said it made Frank dash out of the house and slam the door.

Suddenly there was a fanfare and Mr. Getty, master of ceremonies, announced loudly: "This is the moment you have been waiting for. For weeks we were fine-combing the community for the happiest married couple. Folks, here they are, Mr. and Mrs. James Pratt. Married twenty-five years and happily!" Mr. Pratt was holding his wife's hands and looking down into her face. Mrs. Pratt was beaming. Ardeeth looked over at Frank but he was staring straight ahead.

Mr. Getty talked into the mike. "We can all pattern our lives after this happy couple." He showered them with gifts: furniture, groceries and a bond. As Ardeeth watched them walk off, she wondered about their recipe for happiness. Twenty-five years! Surely, Mrs. Pratt would be glad to help out a broken-hearted woman!

The next morning was Sunday. Frank ate breakfast in silence and disappeared into the garage. Ardeeth walked over to the bus. It wasn't

a long ride. She was surprised to find Mr. Pratt's house smothered in bushes and trees. It certainly symbolized happiness. A dream house! She ran up the steps with a lighted heart. She pressed the bell but no one answered. She could hear the radio and knew someone was at home. If they didn't answer the front, perhaps they would the back

"I'm going, but I'm going alone," she answered.

door. Walking around, she heard loud voices in the basement.

"Is that so?" yelled Mrs. Pratt. There was a blasting noise and Ardeeth heard falling glass. Then another voice. "How in the blasted was I supposed to know you used the pan for that?" More crashes. "My aim is as good as yours," the first voice screamed. "If you crave to throw, I'll throw something, too."

Later on, when Ardeeth had been invited in, Mrs. Pratt said: "So you came to me for advice?" She patted Ardeeth's shoulder and said: "Perhaps I can give you some at that." She offered Ardeeth some home-made cookies. "We're happy. Quarrels don't matter, every normal couple has them. But you can't change a husband. You've got to accept his shortcomings as he must accept yours. There isn't any recipe for happiness. But you can overlook many things in life."

When Ardeeth got home Frank was still in the garage. She went straight to him. "I'm sorry about the tubes, Frank. I'm an awful tightwad."

Frank's eyes brightened up like sparklers. He reached to a shelf. "I got you this at the Fair," he said, handing her a huge bow-tied box of tummy. It looked awfully expensive, but Ardeeth remembered about the overlooking part Mrs. Pratt had mentioned, so all she did was to look into Frank's eyes.

Parcel Post To Move By Air

With the inauguration of nationwide air mail service, the United States can boast of the most modern and expeditious delivery service in the world, according to Postmaster James McDonnell of Grayling, Michigan.

The newly highly specialized air-parcel service, enacted into law by the 80th Congress, will afford patrons of more than 42,000 post offices in America and its possessions unexcelled shipping facilities. Transit time will be reduced to a fraction of that required by other modes of transportation.

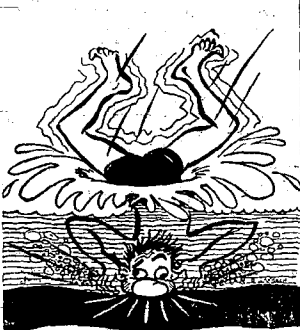

Postmaster James McDonnell pointed out that air parcel post packages will receive the same particular consideration shown air mail in routing. In addition, identical door-to-door delivery will be given to air parcel post as is afforded other form of mail, making the air-parcel service unique in every respect.

He added that distinct air parcel post stickers, printed in red, white and blue and bearing a likeness of a winged package with the earth's globe underneath, will soon be available without cost at the Grayling Post Office to apply to outgoing packages.

With a scheduler plan taking off or landing within the United States on an average of every seven seconds around the clock, and an overseas-bound plane leaving our borders every 30 minutes, we stand ready to give our patrons the fastest parcel post service offered anywhere. Postmaster James McDonnell said.

While international parcel post service has been available from the United States and its possessions for several months, domestic air-parcel service is being launched for the first time in history.
